Dear Allen:

STAT [redacted] has been in to see me, and we had a good talk. He expressed a great interest in joining the Council, and I think he would profit from being at some of its meetings. If you would propose him it would help his candidacy a lot, and some help is needed if he is to get in this year, since the waiting list is considerable. If you agree you might write a strong letter to [redacted] and I will second it.

STAT

Will you be at Princeton this week? I suppose you will be held in Washington.

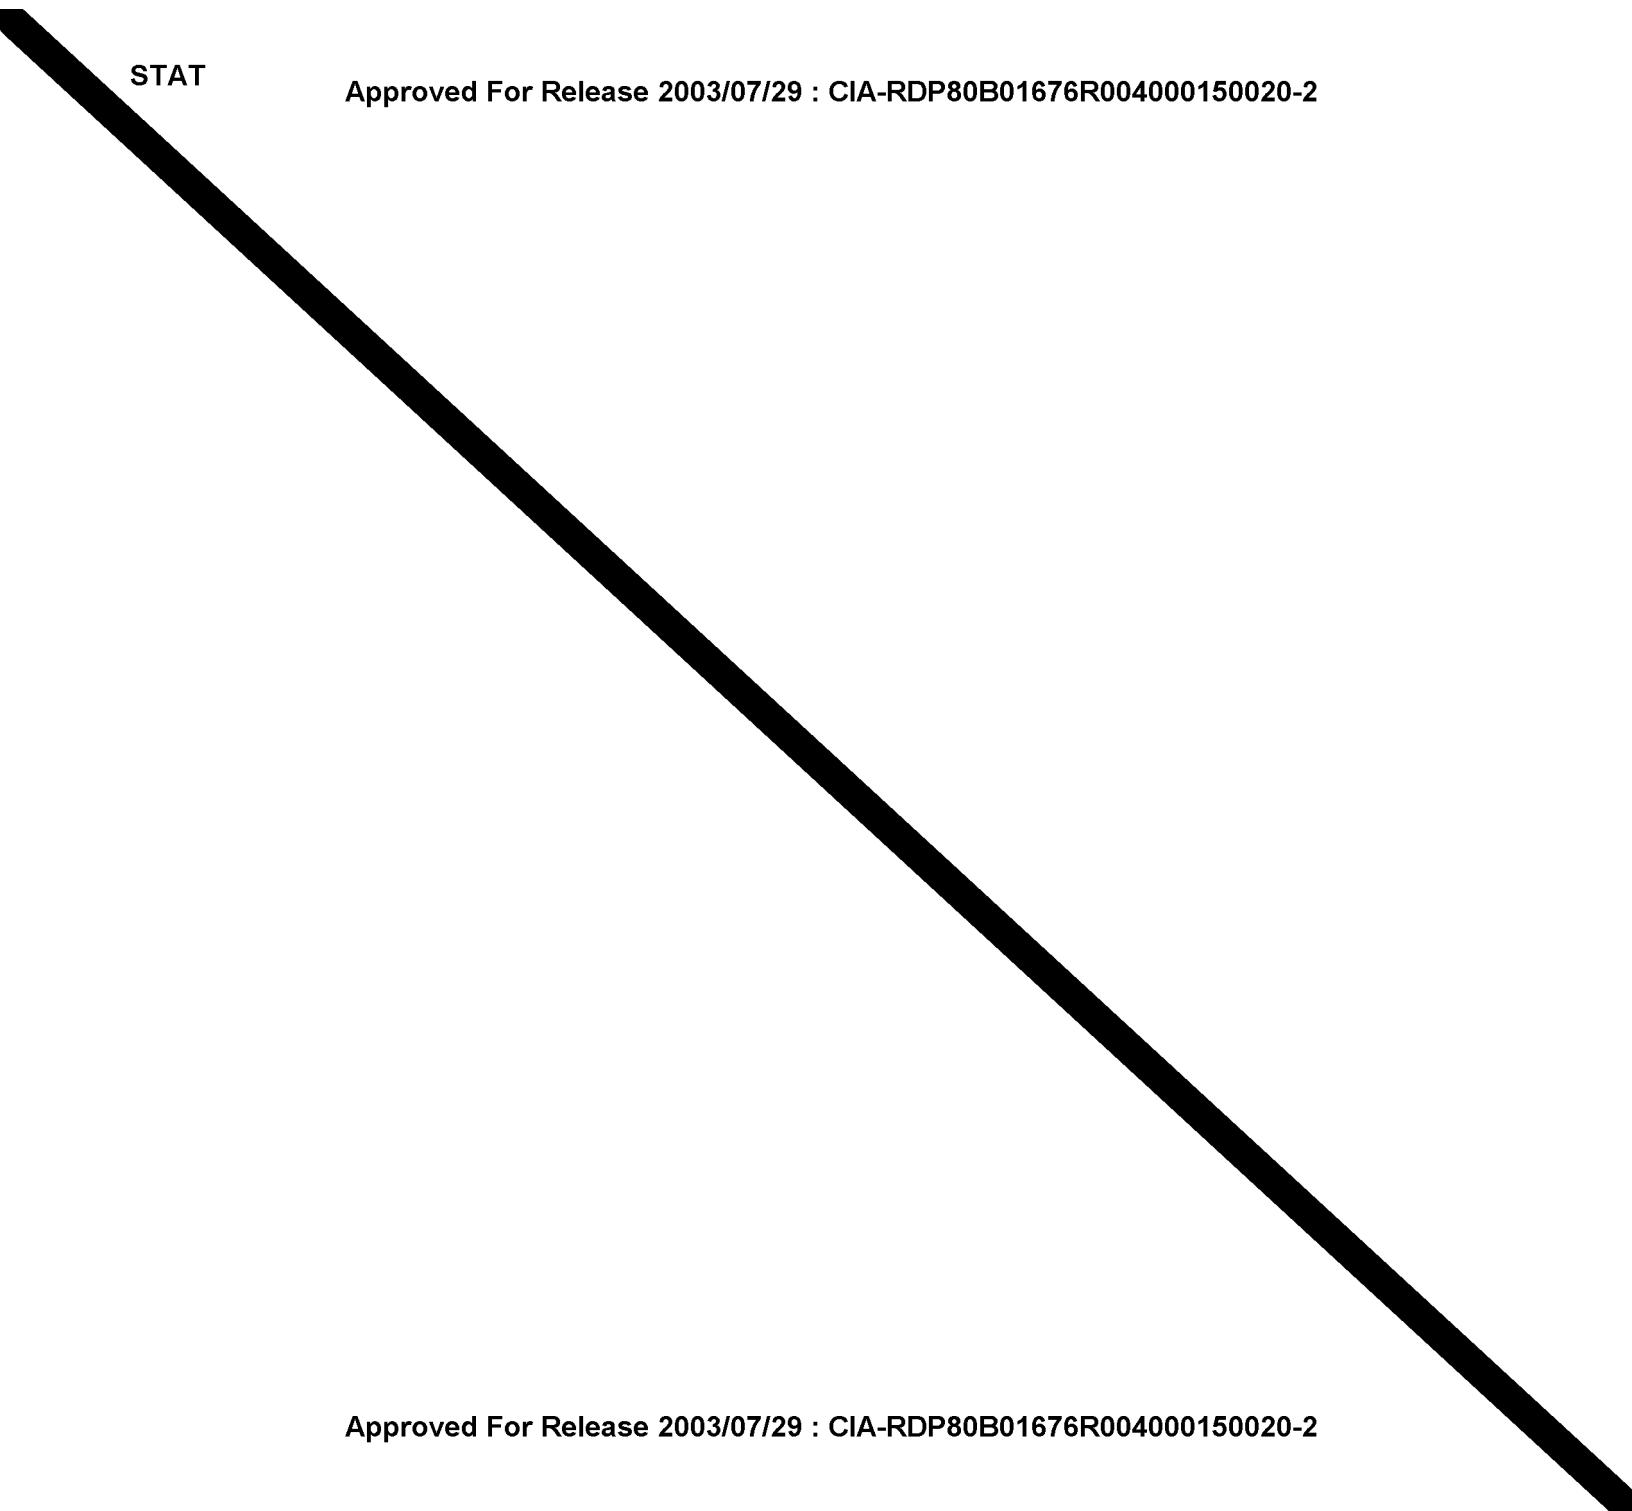

All the best.

As ever,

Ham
